

## Webinar Announcement

Argus Research will host its monthly Outlook & Ideas Webinar for clients at 11 a.m. ET on Wednesday, March 4, 2026. This webinar is the second in our 2026 Artificial Intelligence series and is titled ***Artificial Intelligence and the Healthcare Sector***. The webinar will be hosted by Argus President John Eade. John will be joined by Argus Research's two Healthcare analysts, David Toung and Jasper Hellweg.

During the webinar, David and Jasper will discuss the impact of AI and AI trends among Pharma & Biotech companies, Life Sciences firms, Medical Equipment manufacturers, and Healthcare Service providers. Last month's AI webinar focused on the Information Technology sector, and future Argus AI webinars will explore the Financial, Industrial & Utilities, and Consumer sectors.

Please note that the CFP Board has approved Argus' Outlook & Ideas Webinar for one (1) hour of continuing education (CE) credit.

The webinar, as always, will be interactive with a question-and-answer period. We will be recording the webinar, and a rebroadcast will be available on the password-protected portion of our website. Slides related to the presentation will be posted on our website the day of the webinar and also will be available via the webcast itself.

To register for the event, please visit the Argus Research website and click on the "Register Here" icon that can be found under the "News & Media" header. If you have any problems registering, please contact us by calling (212) 425-7500.
